

# AI Tahoe Firewise Time and Expense Sheet

Hello Neighbor! Our Firewise community goal is to protect lives and property by making our neighborhoods "Safer from Wildfires." This form helps us tally our collective defensible space and home hardening efforts which helps us to:

1. Maintain our official national Firewise USA "in good standing" recognition status
2. Qualify for insurance discounts
3. Reduce the threat of wildfires

We must report at least one hour of participation every year for each of our 1611 dwelling units!

You may fill this form out as many different times as you need throughout the season. Or, you may turn in one form with a "range of dates." Please report as much "Time and Expense" efforts as you can by OCTOBER of each year.
